

RADHAMADHAB COLLEGE, SILCHAR

Significant contributions made by IQAC during the year 2021-22

1. The IQAC conducted a one week Faculty Development Programme on 'ICT in Academics'.
2. The NSS Unit of the college, under the aegis of IQAC conducted a series of programs that aimed at community engagement and participation of students.
3. All the academic departments organized different departmental activities in order to engage and involve the students for their cognitive and other skill development, like Guest Lectures, Wall Magazines, Essay Competition, Group Discussion, etc.
4. The Examination Cell of the college took the initiative of conducting internal assessment in Google Form Format for digitally educating the students.
5. The Students' Health Care Centre under the aegis of IQAC organized Free Haemoglobin Test Camp and Annual Health Check-up Programme for students and issued Health Card to all students.
