Step 1: Registration

Step 2: Profile completion and Lock

Step 3: Check CUET eligibility and complete the application process.

- 1. Applicants who have already registered on the Admission portal during Non-CUET admissions can directly log in and complete the process by clicking on CUET eligibility and entering the CUET registration number. (step-by-step process is shown in the manual)**

For already registered students and ones who have completed and locked their profile, they need not Register or Complete their profile.

- 2. Those applicants who have not registered yet, should first register on the Admission portal, then log in, complete and lock the profile and complete the form-filling process.**

Scenarios:

Scenario 1: Students who have not yet registered

Scenario 2: Students who have registered but have not applied earlier

- Not completed their profile
- Completed their profile

Scenario 3: Students who have already applied earlier

- Not yet admitted
- Already admitted

What to do?

1. In the case of Scenario 1, students need to register, complete and lock their profile and check CUET eligibility and apply.
2. In the case of Scenario 2 (a), students need to log in, complete and lock their profile and check CUET eligibility and apply.
3. In case of Scenario 2 (b), students need to login and check CUET eligibility and apply.
4. In case of Scenario 3 (a), students need to login and check CUET eligibility and apply.
5. In case of Scenario 3 (b), students need to login and check CUET eligibility and apply. However, their admission can be granted only when they cancel their admission under Non-CUET mode. *If any student is admitted under Non-CUET mode but is not offered admission against their application under CUET, the cancellation button shall not be visible.*

Process to check CUET eligibility:

1. Applicants must enter their CUET Application Number.
2. A One-Time-Password (OTP) will be sent to applicants on their mobile number and email as registered on NTA CUET-UG platform.
3. Applicants must enter the OTP and enter image captcha to verify and link the CUET-UG Application number with their profile

Note:

Applicants must ensure that they have entered their correct date-of-birth as they have submitted to NTA for the CUET-UG 2024 exam. In case there is a mismatch in date-of-birth then the applicant will not be able to apply. Such Applicants, if already enrolled in Non-CUET mode with any of the HEIs, can contact the HEIs and get their Date-of-Birth changed after producing appropriate documents as proof.

In case of Scenario 1 and 2, where the applicant has not yet applied so far in any programme, they need to enter their 12th Board marks, as it may be required by HEIs for tie-breaking or any other purpose for the concerned HEI. However, in case of scenario 3, where students have already applied to atleast one or more programmes, the 12th Board marks already available in the system shall be auto-fetched.
